# Supplies Management System

supplies.viewiss.com

**INNOVATIVE SOFT SOLUTIONS**

WWW.VIEWISS.COM

# Scope

It is an online web based software running in cloud server connecting you with all your suppliers from various geographical locations to share live information connected to material supplies 24x7.

# Benefits

**To your Company**

- ✓ This software is your 24 hrs. **personal secretary** for vendor management.
- ✓ Accessible anytime from your computer/mobile.
- ✓ Instance Intimation of material requirement to your suppliers.
- ✓ Suppliers On-line confirmation at various stages of order execution.
- ✓ Pending supplies list as on date at any time.
- ✓ Suppliers Delivery Performance reports & graphical reports.
- ✓ Access to the software can be given to multiple people in your organization, each with their own login credentials to carry out their job.

**To your Suppliers**

- ✓ They can access the data from your software and fill order acceptance and delivery information online through their own login credentials.
- ✓ They get their live performance reports to improve themselves.

# Features

✓ Highly secured, with user-based restriction to access information that **can be set or altered at anytime by the System Administrator in your organization without our involvement.**

✓ It is  hosted & maintained by us in **cloud server.** You can access the data from anywhere across the world! More suited for -

- Organizations with multi-plant locations spread across wider geographical area with central control.
- Organizations with many materials / many suppliers / many deliveries per day.
- Medium/Small organizations where it is un-economical to install IT infrastructures & maintain it at their end.

✓ Paperless system. Access to all stack holders for material  information. No need for any other communication methods like Email, Phone etc.,

✓ Powerful & Live Analytical reports available to the management.

✓ All Reports can be downloaded in **Excel format** to your computer anytime.

# Working Flowchart
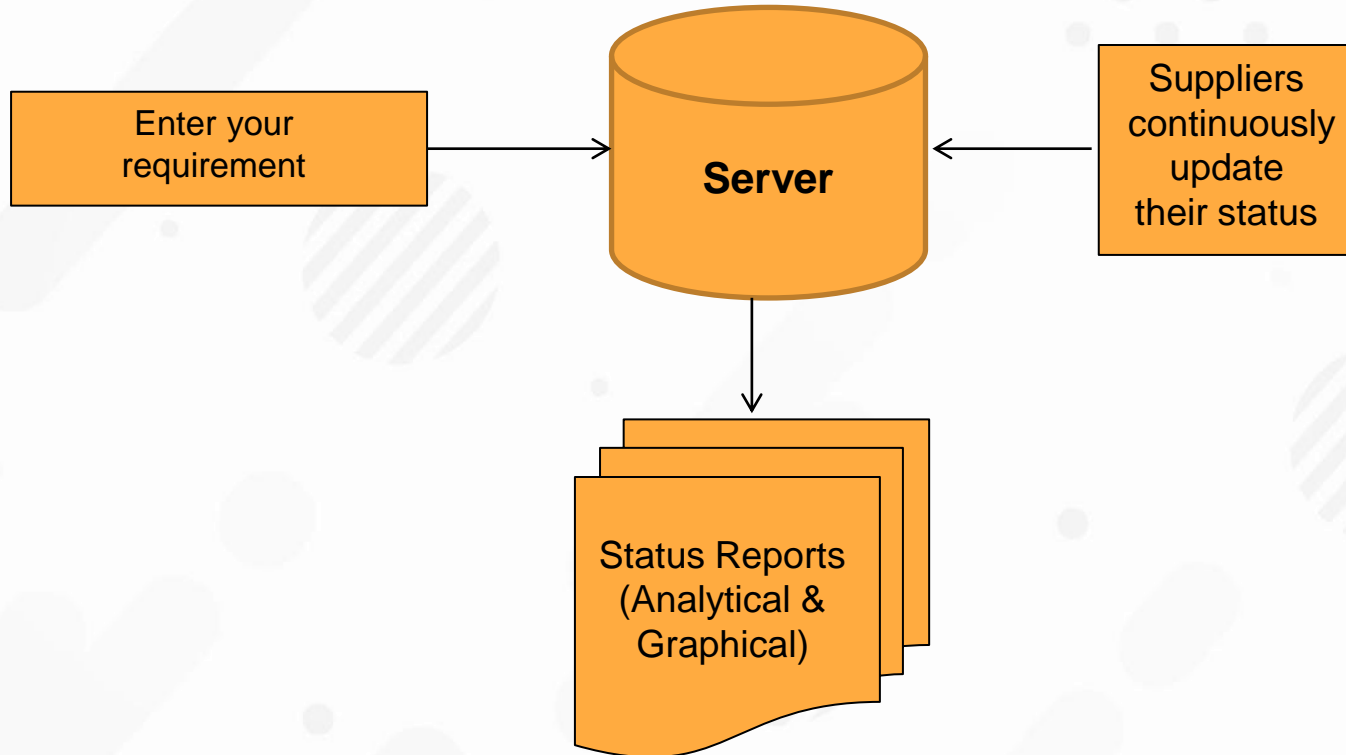

# Reports

✓ Status Reports

- Pending orders to accept by suppliers.
- Delay in starting production by suppliers.
- Despatch Failures.
- Delivery Performance.

✓ Historical Trend Reports for any period

- Month-wise Delivery failure by Volume. (Graphical)
- Month-wise Delivery failure by Frequency. (Graphical)
- Month-wise Rejection Rate. (Graphical)
